Middle East	In-airport yellow fever vaccination is not available at any of the Middle Eastern airport hubs, including DXB, AUH, and DOH.		
Latin America	In-airport yellow fever vaccination is not available at any of the Latin American airport hubs, including GRU, GIG, PTY, LIM, SCL, and SJC.		

* Vaccination for Americans/Canadians while in transit through a major airport hub may be an option if: 1) no IHR Entry Requirements exist in the next 10 days; 2) no significant YF exposure is anticipated in the next 10 days; 3) no relevant medical issues are present in the traveler.
