

Consent to Release/Exchange information

The Vancouver Paediatric Team (VPT) helps children with complex health care needs lead active, healthy lives in their homes, schools and communities. The Paediatric Team of community health nurses, occupational therapists, physiotherapists and social work provide the following:

- School-based consultation for school-age children.
- Short-term therapy when indicated.
- Nursing supports to eligible children with complex medical nursing needs.
- Linkages to community resources.

I, _____, consent and authorize the Vancouver Paediatric Team members
(NAME OF PARENT/GUARDIAN)

to release/exchange information with the Vancouver School District and/or Child and Youth with Support Needs (CYSN), and other health professionals as it pertains to the treatment and care of:

NAME OR CHILD

Date of Birth

Personal Health Number

By signing below, you authorize VPT staff to collect, use and share information about your child for purposes of providing VPT services to your child. VPT collects uses and shares personal information only in accordance with the BC *Freedom of Information and Protection of Privacy Act*.

You may withdraw your consent to share information at any time by contacting the VCH Vancouver Paediatric Team.
