## Bath Ankylosing Spondylitis Patient Global Score (BAS-G)\*

Please read the question below and check the box you feel is most appropriate to describe the effect your disease has had on your well-being over the last week. Please only circle one box for each question. There is no wrong answer.

- 
1. Please use the scale below to indicate the effect your disease has had on your well-being over the last week.

0     1     2     3     4     5     6     7     8     9     10  
NONE VERY SEVERE

2. Please use the scale below to indicate the effect your disease has had on your well-being over the last 6 months.

0     1     2     3     4     5     6     7     8     9     10  
NONE VERY SEVERE

---

For clinician use:

Calculating the BAS-G

BAS-G: \_\_\_\_\_

Add scores and divide by 2 for a BAS-G score of 0 - 10. The higher the BAS-G score, the more severe the effect of AS on the patient's life.

Note: MCID/MCII values not reported for NRS version of BAS-G.
